

Each of these workshops consists of a three-day series of oil painting classes that take place in the Gallery on three consecutive Sunday afternoons. All materials, supplies, and canvas are included in the registration fee, all you have to do is show up and enjoy being creative! The oil paints used in the workshops are water mixable and non-toxic, making them safe and easy to use. Each workshop focuses on a particular subject matter or technique, but students get to choose what they will be painting from a variety of available photographs. All skill levels are welcome. Be sure to bring an art smock or shirt you don't mind getting paint on.

---
